BROTHER PHILLIP LEE

The Baptist Church of Christ constituted itself at the Union Meeting House on April 30, 1812, and affiliated with the Tate's Creek Baptist Association. There were 18 charter members, one of these a Negro woman. Mr. Robert Frier was chosen as pastor and served until his death in December of 1819.

In August of 1813, John Winn gave the group the deed for one and one-half acres of land, on which the present church still meets for worship.

October, 1830, saw a division in the church with a large group going with a sect known as "Reformers," followers of the doctrines of Alexander Campbell. The 15 members who held to the original faith saw fruitful results of 16 new members in December of the same year. The two groups erected a building jointly in 1848, meeting alternate Sundays until the Baptists purchased the Reformers' share for \$200 in 1893.

The church was received into the Boone's Creek Association in 1857, having belonged to both Tate's Creek and South Fork previously. In 1961, the church voted to move its fellowship back to Tate's Creek Association due to time and distance factors.

Under the leadership of Pastor Joseph Stiles, the church constructed an educational building in 1939. A parsonage was begun in 1950 under the direction of Pastor Willis Bennett, the fund for such started under Pastor Wayne Oates. Remodeling and additions of Baptistry and basement were completed in 1953 under the leadership of Pastor William Slagle. The highest regular attendance of the church was realized under Pastor William Craig in 1957-58. *1954-1955*

During the leadership of Pastor Ronald Kerr, 1959-63, a new Constitution and By-Laws were adopted. Pastors following this period were: Brother Ted Huckaby, 1963-64; Brother Michael Watts, 1964-68; and our present pastor being Brother Phillip Lee, 1968-69.
